Field-Grown
ROSES

Howard Rose Company
Hemet, California

Grade No. 1—Teas and Hybrid Teas, 18 inches and up to 24 inches. Climbers and Hybrid Perpetuals, 24 inches and up to 30 inches. Order in multiples of TEN. Ten or more at these prices.

Grade No. 1½—Teas and Hybrid Teas, 12 inches and up to 18 inches. Climbers and Hybrid Perpetuals, 18 inches and up to 24 inches. Order in multiples of TEN. Ten or more at these prices.

TO THE TRADE ONLY—Prices shown are for first-class stock, of the grade named, and are subject to change without notice. No charge for packing.

The use of printed stationery as protection is desirable. If it is not used, the purchaser should state clearly his position. We print only wholesale trade lists, and do not desire or solicit retail orders.

Our terms are cash, or satisfactory references before shipment. To established nurserymen and florists known to us, or to those who give necessary rating, credit will be granted on the following terms: 60 days net f. o. b. Hemet, California: 3% discount for cash with order or before shipment; 2% in 10 days; 1% in 30 days.

TIME OF SHIPMENT—In late December we start the tree digger under the Roses and ship out all early orders as soon as possible. Our Concrete Cellars enable us to hold stock dormant through the season in good condition. We cannot promise to hold any orders later than March 15th; however, we prefer to ship all orders during January and February.

SUBSTITUTION—We do not substitute unless instructed to do so, and then label true to name. Customers will save time by naming a second choice, to be supplied only when first choice is sold out.

PRO RATA—As it is almost impossible to count Roses in the field when partly grown, there is a feature of uncertainty about all orders booked before digging. Consequently we reserve the right to fill such pro rata.

GENUINENESS—We exercise great care to keep all varieties true to name and will replace, on proper proof, all stock that may prove otherwise, but it is mutually agreed between the purchaser and ourselves that we shall not be liable for any amount greater than the original price of the stock. All quotations made subject to stock being unsold when order is received, or loss by any and all unavoidable causes. Freight shipments travel at risk of purchaser.

EXPRESS—New rates from Hemet to Salt Lake, \$4.40; Denver \$6.30; Kansas City \$7.80; Des Moines \$8.40; St. Louis \$9.05; Chicago \$9.45; St. Paul \$9.45; Cincinnati \$10.15; Washington \$11.65; Philadelphia \$12.00; New York \$12.15; Boston \$12.65. Our No. 1 Roses weigh packed about 360 pounds per 1000 plants. In large lots these rates can be applied, but bales weighing less than 100 pounds cost more.
